Vice President

Pokey Richardson

Dear Friends,

Secretary

Nancy Grekin

We are grateful for your generous support of \$3,600.00 for the shallow subsidy for Lina and Kolini. Thanks to you, families will receive shelter, food, basic supplies and housing support to place them in long-term housing. With your support, we continue to take families off the streets and into safe and secure homes.

Treasurer

Wendy Saito

Your support has given hope to our families. A recent guest told us: *"Our family hit a rough patch and had no place to go after we lost our home due to unforeseen circumstances. My husband and I both worked but we did not have enough money for a deposit and first month's rent. We worried about the basic necessities of shelter, food and water. The program temporarily houses working families at a day center and community volunteers provide evening shelter and meals. This made it possible for us to save money for a place of our own. It eased our minds to know that there were people out there doing extraordinary things to make us feel comfortable. We now have a place of our own and are one of the many families who have prospered after being part of this program."*

Since 2006, we have helped over **1,500** children and their parents. In 2015, a total of 243 parents and children were provided housing and support services. Last year, 100% of our families secured or bettered their employment and saved money to provide a safety net should they run into unexpected obstacles.

We provide 24 hour emergency shelter, numerous supportive services and welcome homeless families with children residing across Oahu. Family Promise continues to partner with community host sites and 1,500 volunteers utilizing their facilities and members to provide shelter, meals and supportive services in a caring, compassionate manner. Together, we are helping homeless families secure permanent housing, maintain employment and independence. On behalf of the families we serve, thank you for your generous support as we partner together to end family homelessness in Hawaii.

Executive Director

Mary Saunders

With Warmest Aloha,

Mary Saunders
Executive Director

Makelo has your rental assistance to our family! It will make a tremendous difference and help them with their long-term housing success.
